Summary:

Paladin Risk Solutions is a specialized risk, intelligence, and investigative consultancy. We provide a suite of services to identify, mitigate, and respond to risk that supports our clients with insightful solutions for their complex issues. We are backed by over 30 years of proven experience in local, domestic and global markets. By pairing our specialized personnel to your specific industry or issue at hand, we provide superior risk solutions.

Our General Investigations department is expanding, and we are looking for a senior investigator to join our team. We would like to hear from candidates with years of experience conducting and managing investigations on behalf of law firms, public and private companies, crown corporations and regulatory bodies. Successful candidates would be tasked to manage and conduct investigations according to Paladin's high standards of quality and due process.

Duties and Responsibilities:

- Conduct and manage investigations with minimal supervision.
- Prepare and defend reports.
- Coordinate investigative inquiries with different teams when required.
- Client management and business development.

You are a great fit if you have:

- Sound understanding and hands on experience with compliance, regulatory and insurance investigations.
- Able to conduct investigative interviews.
- Excellent understanding of the national court system and legal proceedings.
- Solid business acumen.
- Strong leadership, oral and written communication skills.

Professional Experience:

- Bachelor's degree.
- Private Investigators license required.
- Minimum of 10 years' experience conducting investigations.
- Must be fluent in English. Additional languages would be considered an asset.
- CFI, PCI, CAMS, CFE, and/or CFE Designations would be considered an asset.
